White Mountain Hearth Birch Log Set

White Mountain Hearth Burncrete® Birch gas log set brings rustic elegance to vent-free fireplaces, combining the warmth of a real wood fire with modern convenience. Each log is hand-painted with detailed birch bark, knots, and natural color variations for a lifelike, hand-carved look. Made from durable Burncrete, these logs pair with slope glaze burners for consistent, energy-efficient heat—without ash, flare-ups, or a chimney. Efficient heat works with both vent-free and vented fireplaces.
